ADDENDUM NO. 1

DATED 12/09/2003

Control	6108-64-001
Project	RMC - 610864001
Highway	US0290
County	GILLESPIE

Ladies/Gentlemen:

Attached please find an addendum on the above captioned project. Included in the attachment is an addendum notification which details the changes and the respective proposal pages which were added and/or changed.

Except for new bid insert pages, it is unnecessary to return any of the pages attached.

Bid insert pages must be returned with the bid proposal submitted to the Department, unless your firm is submitting a bid using a computer print out. The computer print out must be changed to reflect the new bid item information.

Contractors and material suppliers, etc. who have previously been furnished informational proposals are not being furnished a copy of the addendum. If you have a subcontractor on the above project, please advise them of this addendum. Acknowledgment of this addendum is not requested if your company has been issued a proposal stamped "This Proposal Issued for Informational Purposes."

You are required to acknowledge receipt of this addendum by entering the date, which appears at the top of this letter on the Addendum Acknowledgement Form, contained in your bid proposal.

Failure to Acknowledge receipt of this addendum in your bid proposal will result in your bid not being read.

DESCRIPTION OF ABOVE CHANGES

(INCLUDING PLANS SHEET CHANGES)

Parks #40 and #41 have been removed from this contract. The contractor will not be required to perform any work at these locations.

County: Gillespie**Control:** 6108-64-001**Highway:** US 290**General Notes:**

This contract shall commence upon the issuance of a work order by the Engineer and shall continue for two calendar years or until contract funds are expended, whichever occurs first.

Plans require that picnic areas on this contract shall be cleaned on Monday, Wednesday and Friday of each week. The only exception to this would be by direction from the Engineer.

Janitorial Maintenance:

The contractor must provide enough water to clean and rinse all appurtenances in a manner acceptable to the Engineer.

Grounds Maintenance:

All mowing operations shall be done Monday through Friday unless prior approval is received from the Engineer.

If the Engineer or his designative representative determines there is a large accumulation of grass after mowing operations, the Contractor shall be responsible for raking and removing grass clippings.

Grass clippings, tree clippings, leaves and/or pine straw shall be removed to a site off state right of way as directed by the Engineer.

The Texas Manual on Uniform Traffic Control Devices must be complied with during all operations.

Scope of Work:

The picnic areas covered under this contract are listed below:
